Dear Mr. Manley:

I have your letter of March 22, saying that you wish to bring about 9 or 10 men to arrive about the first of April.

We shall have the room ready for you and your men on this date. I shall be away for the Easter holidays at this time, but you may contact Mr. James H. Bryant upon arrival.

We would appreciate knowing the expected time of your arrival, as far as possible.

Yours very truly,

E. B. Poole
